SCALED GROWTH WITH A COMMITMENT TO EXCELLENCE

CUSTOMER TESTIMONIALS

Jeff Morgan | Joint Base Charleston | CE Project Manager

MATAI, has completely revamped Production and Craftsmanship for the Best! They were very professional on all of our Weapon Station Projects! Wish they could stay longer or even replace them with another MATAI team to help maintain this progress!

Celso Torres | Federal Aviation Administration | Resident Expert

MATAI recently completed an Electrical Line Distribution project at Ryan Airfield, Tucson, AZ. The MATAI workforce was professional and demonstrated great team work. We look forward to working with them on future projects.

Patrick Benson | War Horses for Veterans | Founder & CEO

I would like you to consider MATAI Services, LLC for your project needs. I have had a fantastic experience with them over the past few years for the services and support they have rendered to us. I therefore strongly recommend their services.

SERVICE & EXCELLENCE

MATAI's commitment to **SERVICE** and **EXCELLENCE** goes beyond project delivery. We are dedicated to sincerely **UNDERSTANDING** our clients' needs, **IDENTIFYING** their **CHALLENGES**, and **ADOPTING** their **GOALS** as our own. This approach fosters a culture of partnership and shared purpose, leading to an enhanced client and user experience.

MATAI has a proven track record of performing mission-critical projects across the United States, with a deep understanding of the unique nuances and dynamics of each client. This expertise enables us to minimize risk and ensure successful outcomes for every project.

Our dedication is reflected in years of positive CPARS evaluations, client testimonials, repeat business, and a solid reputation across all markets.

Matai is proud to have successfully completed numerous mission-critical projects across the nation. Our extensive experience includes collaboration with the FAA, GSA, and National Defense, ensuring that we consistently meet and exceed rigorous standards. Our CPARS ratings reflect our commitment to excellence and our ability to meet customers' expectations on projects of the highest importance. The full CPARS reports related to the comments below are available upon request.

CPARS RATINGS

SABER CONTRACT, JOINT BASE CHARESTON | \$15MM
Contract: FA441821D0002 | Contracting Officer: Justine Smith

42 Task Orders in the 2nd option year. The Contractor not only met but exceeded regulatory requirements. They developed a local Stormwater Pollution Prevention Plan (SWPPP) and coordinated with the Base Municipal Separate Storm Sewer System (MS4) to establish Best Management Practices (BMPs) to protect coastal wetlands. This proactive approach contributed to project completion four months ahead of schedule.

ARMY COMBAT FACILITY, FT IRWIN | \$1.4MM

Contract: W91234B20C0002 | Contracting Officer: Marquis Mcinnis

Management performance meets contractual requirements and exceeds some of the Government's benefits. Contractor was very experienced in this kind of work which resulted in a smooth continuation of the construction process.

REPAIR HANGAR DOOR, BARKSDALE AFB | \$2.8MM

Contract: FA460819CA020 | Contracting Officer: Andrew Monroe, MSGT USAF

Great management team, especially the day to day team overseeing the project. They really stayed on top of the project site, communication, scheduling the different trades, keeping the site clean and staying on project schedule.

COMMITTED TO VETERANS

Matai prides itself in supporting veterans and facilitating their successful integration into the civilian sector. Our dedication is reflected through active involvement in various veteran-focused initiatives, such as the DOD Skillbridge Program, where we recruit, train, and mentor transitioning service members. We proudly sit on the board of Dark Horse Elite, an organization dedicated to empowering veterans, and sponsor the War Horse Games, raising funds for veteran and adaptive athlete programs. Matai knows how important it is that veterans receive the support, resources, and opportunities they deserve to thrive in their post-military careers.

DOD SKILLBRIDGE PROGRAM

Assisting Active Duty Military Personnel with the transition into the civilian sector

Matai partners with the DODSkillbridge Program to recruit, train, and mentor active duty military personnel as they transition into the civilian workforce. Our comprehensive support includes on-the-job training, its certified apprenticeship program, construction certifications, and potential job placements within the company. To date, Matai has successfully hired four veterans through this program and is currently mentoring three veterans through construction management courses. Notably, one of these veterans is enrolled in the MBA program at LSU.

DARK HORSE ELITE | BOARD MEMBER

Founder: Patrick Benson www.darkhorseelite.org

Dark Horse Elite is a non-profit organization dedicated to empowering special operations personnel and combat veterans. These innovative, comprehensive programs focus on physical, mental, emotional, and social well-being, enabling participants to overcome challenges and thrive in all aspects of life. Dark Horse prioritizes delivering high-quality, impactful services over quantity, ensuring that each program meets the highest standards of excellence.

WAR HORSE GAMES | RAISED +\$350K

Founder: Nick Lewman & Patrick Benson

Matai proudly sponsors and serves on the board of the War Horse Games, a national event that brings together athletes and veterans of all skill levels. The primary goal of this event is to raise funds for veteran and adaptive athlete programs, supporting those who have served our country and promoting inclusivity in sports.
